

## LINEAGE OF TIME

**Clintel Steed**

Opening Reception

April 26, 2018

6pm – 8pm

**Dean Borghi Fine Art**, is pleased to announce our new exhibition **Lineage of Time**, a solo exhibition featuring American painter Clintel Steed. The Exhibition will be on view at our gallery at 529 West 20<sup>th</sup> Street, New York city, New York (10<sup>h</sup> Floor) beginning April 26, 2018. An opening reception will take place on April 26, 2018 from 6 – 8pm.

Inspired by his devout Pentecostal Christian upbringing in Utah, much of Steed's work focuses on the exploration of emotion, situations and experiences we have and presents these to us through his art. Using vibrant colors and figures in mid motion, Steed presents us with settings that are in the moment, allowing the viewer to explore a pause in time, one would normally not see. Steed's works range in related themes, often included a moment in time one would miss in a blink of an eye. Lineage of Time reflects Steed's most recent subject matter. He references the past and raises the question of what the future is to us and who we are as a species.

Steed has shown his work throughout New York City, the Hamptons, and Philadelphia as well as in 2015 he was awarded the John Koch award from the Academy of Arts and Letters in 2015. Clintel is an artist who represents the urgency and grit that was synonymous with New York City in the 1970's and 1980's with the same energy and style translating into his painted works.

An opening reception will be held on April 26, 2018 from 6pm to 8pm at our location in Chelsea at 529 W. 20<sup>th</sup> Street (10<sup>th</sup> Floor). Dean Borghi Fine Art is open during the week Tuesday to Saturdays from 11am to 6pm or by appointment.
